Applicants

Profile of recruited researchers

Senior Post-docs (ER)

> 10 years

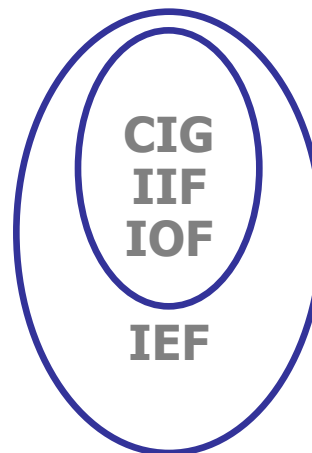

Post-docs (ER)

> 4 years* or PhD

Post-graduates (ESR)

< 4 years*

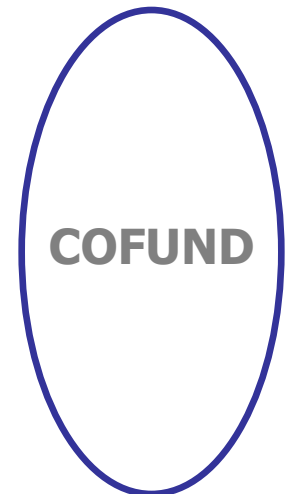

Individual fellowships

Industry/Research Institutions

Research funding bodies

**full-time equivalent research experience after degree which formally entitles to embark on a doctorate*

Host-Driven Actions

Initial Training Networks (ITN)

**Industry-Academia Partnerships
Pathways (IAPP)**

Industry-Academia Partnerships Pathways IAPP

IAPP Objectives

- Foster co-operation **between non-commercial research organisations & commercial enterprises based on joint research projects.**
- Stimulate long-term collaboration **between sectors through secondment of researchers between the public & private research domains.**
- Diverse career possibilities & research experience **for researchers, and support knowledge sharing/cultural exchange.**

IAPP consortium composition

- **At least 1 partner from non-commercial sector**
- **At least 1 partner from commercial sector**
- **Partners from at least 2 different MS or AC**
- **Additional participants from anywhere in the world**
- **Usually 2 to 6 participants and 48 months**

IAPP Eligible Organisations

Non-Commercial participants

- National organisations (e.g. universities, public non-commercial research centres etc.)
- Non-profit or charitable organisations (e.g. NGOs, trusts, etc.)
- International European interest organisations (e.g. CERN, EMBL, etc.)
- The Joint Research Centre of the European Commission
- International organisations (e.g. WHO, UNESCO, etc.)

Commercial participants

- Commercial enterprises of any size (incl. SMEs, spin offs, start ups)
- National organisations (if operating on a commercial basis).

Eligible Country Groups

1. EU Member States (**MS**)
2. Associated Countries (**AC**):
Albania, Bosnia and Herzegovina, Croatia, FYR Macedonia, Iceland, Israel, Liechtenstein, Montenegro, Norway, Serbia, Switzerland, Turkey, Faroe Islands Republic of Moldavia.
3. Other Third Countries (**OTC**), **divided into:**
 - International Cooperation Partner Countries (**ICPC**)
based on three categories according to income per capita (low-income, lower-middle-income, or upper-middle-income)
 - High-income Third Countries (**non-AC, non-ICPC**)

IAPP Main Activities

Compulsory Staff Secondment

- Majority of support in IAPP ($\geq 50\%$ of person-months)
- Always inter-sector
- Usually 2-way with reintegration phase (1 year)
- Up to 30% intra-national secondments

Optional Recruitment of experienced researchers

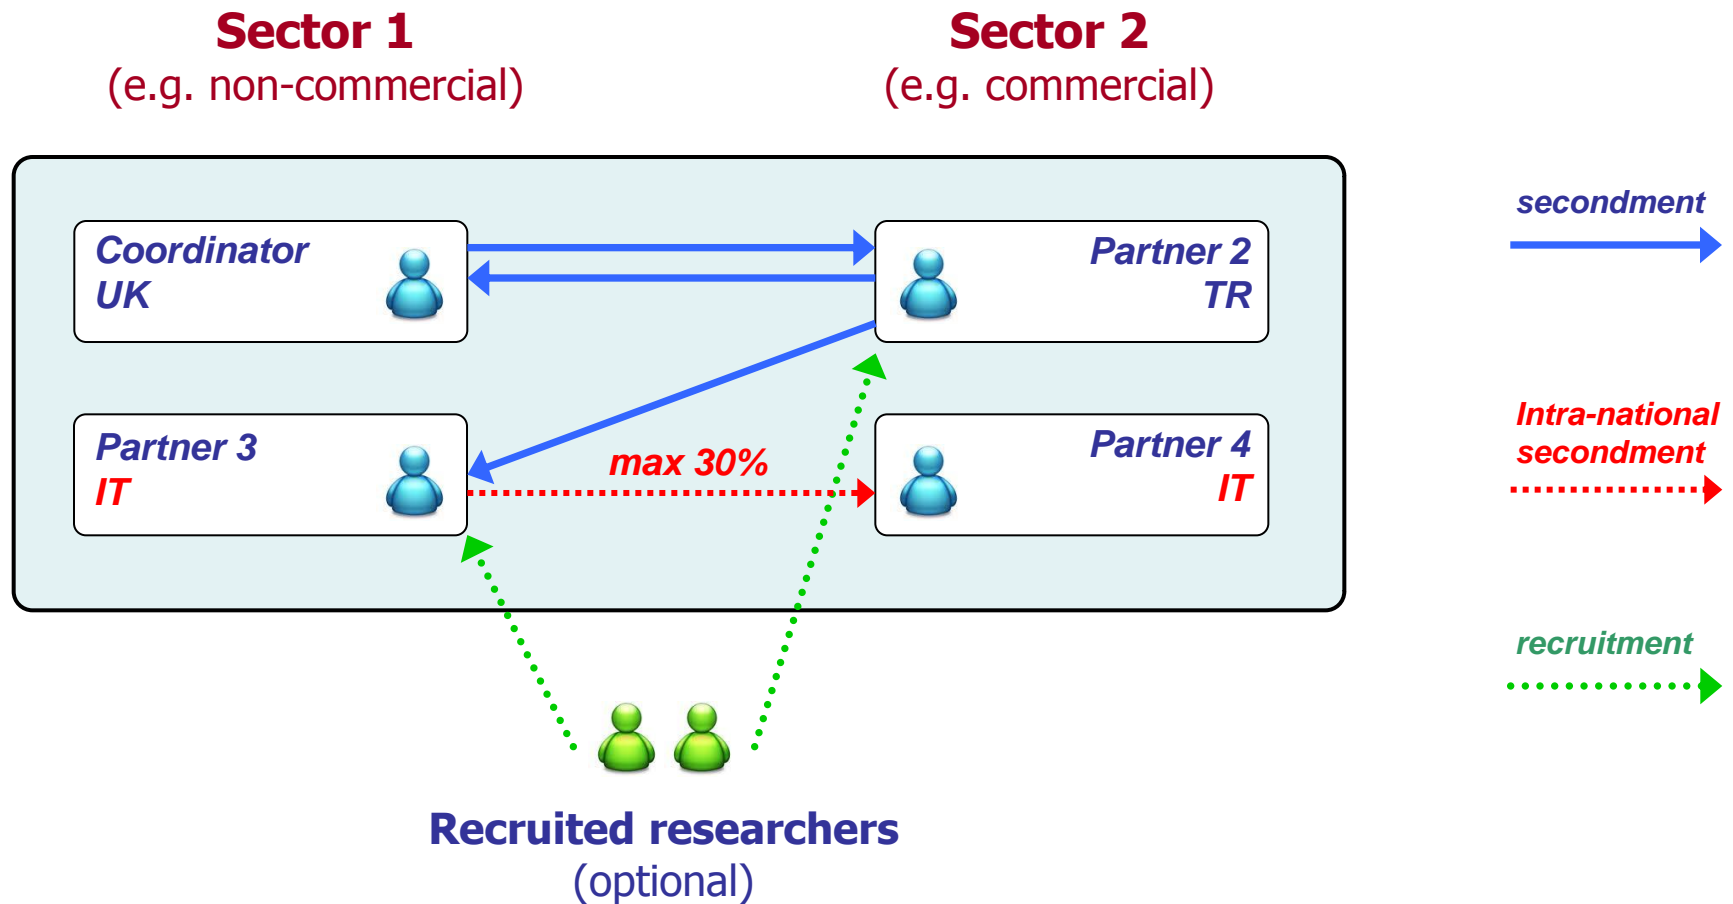

- Relevance to project and to recruiting organisation shall be duly justified
- Not a substitute for secondment (no recruitment inside the consortium)

Other

- Networking activities
- Workshops & Conferences

IAPP Main Activities

Secondments \geq Recruitments

Eligible researchers

Secondment

- Early-stage or experienced researchers
- Management & technical staff where justified
- No nationality restriction
- Staff members active for at least 1 year
- 1-year mandatory return phase
- Mobility 2–24 months (split stays allowed)

Recruitment

- Experienced researchers only
- No nationality restriction
- Transnational mobility: residence or main activity in host country is max. 12 months in the 3 years prior recruitment
- Mobility 12–24 months

Proposals must be clear about a wide advertisement of positions and an open & transparent recruitment process

The screenshot shows the 'Participant Portal' for 'Research & Innovation - Participants'. The header includes the European Commission logo and navigation links like 'Home', 'My Organisations', 'FP7 Calls', and 'Support'. A sidebar on the left contains sections for 'LOGIN', 'STAY TUNED' (with RSS and email notification options), 'NEED HELP?' (with links to manuals and FAQs), and 'WHAT'S NEW' (announcing the v3.1.1 update). The main content area is titled 'PEOPLE' and shows 'Marie-Curie Actions / 6 open calls'. Below this, a 'Call for proposals' section displays a table of available calls.
